

Are you a FIREFIGHTER? Are you CANADIAN? Are you a WOMAN? If so, please help us out and complete this research study.

We invite all *Canadian women* who are or have been involved *in fire service* organisations as a *career, volunteer, or part time firefighter* to participate in a study about *occupational cancer risk perception*. Participation involves answering questions in a **CONFIDENTIAL online survey**. The survey will take between 20 to 60 minutes to complete depending on the level of detail you choose to provide.

If you are interested, and you can spare the time, please click on the link below to access the survey
